Old Business

1. DH3 Campout – 7/10 & 7/11 (Help/P-Head)

- Weather and turnout were better than expected
 - 33 for Saturday trail
 - 15 for Sunday trail
- Many thank you's are needed for those who went the extra mile:
 - Panty Remover & Short and Sassy for hosting
 - Hot Tub Slut for scouting a great trail (... through a sea of poison ivy) and Panty for helping HTS to navigate the nearby lands and neighbors
 - Help Get it Up, P. Head, More Leggs, Porkless, and Cock in a Box spent countless hours getting the property ready... including removing dead trees and restringing power lines
 - The UnaLicker added to the fun with great Hash Olympics games
 - Shot stations were hosted by Short and Sassy, Porkless, Pool Tool, Catwoman, The UnaLicker and ¼" Dick Inside Her
- All dogs were well behaved
- Hashers "left the campground in better condition" – Panty and Short & Sassy appreciated the care and respect of the homestead
- Lessons learned: 40-50 would be maximum for the property; make "exit" path easier to see at night (i.e. flour marks)
